

TCSU

Committee Meeting

Sunday 21st January
18.00-19.30

APOLOGIES Scarlett Crème, Letty Thomas, Chris Tynan, Sam Kemp.

1. LAST MEETING'S MINUTES

Approved.

2. Double room ballot

The Domestic Affairs officer has been informed that the system has been changed, so that people will not be able to ballot as a double from now on. This is because there have been problems with the current system, as people found it difficult to understand last year, some doubles have been left empty in Burrells, and lots of people pull out of the double ballot or end up moving out of double rooms later in the year. Eventually the college will be phasing out double sets, as they cause welfare and administrative problems when people decide they need to leave their double.

The view of the committee was that there was nothing wrong with the old system; the solution to the problems experienced would simply be better publicity and information about the system for first years. This view will be stated at the next meeting of the Liaison Committee.

3. Elections

Everyone needs to create or update an electronic handover document for the next committee, to be sent to Mr Coker asap. These should include any specific, regular responsibilities, and in particular what is required from each position during fresher's week.

4. Burrells ent

Mr Blacklay has provisionally booked Burrells for the committee changeover ent. Scarlett needs to continue with the arrangements asap. Suggestions for themes include school disco, black and white, rubix cube and bling.

5. Catering committee

The next meeting is on Monday 22nd January at 2pm. Issues to be raised are the new sandwiches in hall, which people dislike, and the bar.

6. Expenditure

Mr Blacklay reported that there will be a surplus of approximately £1000 at the end of term. He suggested that the TCSU invest in a new flat-screen tv for the JCR, so that lots of people can watch the tv at the same time. There may be a possibility of obtaining a free tv from Sony, in exchange for advertising space in Travisty. The current JCR tv could then be put into the Blue Boar common room, as the tv in there has broken. Another good investment would be a freeview box for the Blue Boar common room. Another suggestion

4. ANY OTHER BUSINESS
