

Angie Doran – Ents Officer

GOALS FOR THE YEAR

The Ents Officer is responsible for the organisation and smooth running of events and general entertainments available in and out of college for the Trinity undergraduate population. Ents requires close communication with the Treasurer and President to get permission for any events they want to host. It is vital to maintain a good relationship with college staff such as the catering staff, bar staff, works department and porters who are a main reason that Ents in Trinity can occur, but also with external staff like club managers who allow the broadening of events to outside venues and privileges like queue jumps and bops.

I will be continuing on from Amelia's work, and keeping the well-loved queue jump system with Cindies every Wednesday.

LENT 2019

Goals	Progress
Create a Trinity Ents private Facebook group	This has been done, and is successful.
Have a successful Handover bop	Majority of people I have spoken to enjoyed the Bop, and I now understand the ticketing process.
Start organizing one large event for the beginning of Easter term	Currently liaising with Lolas to have a mega bop week 1 of next term – stay tuned!
Plan themed formals for Michaelmas term at the Catering Meeting	We are having two themed formals in Michaelmas – menu from the past, and menu from the future
Solid plan for Easter term	Plans for Easter term are as follows: Lola's megabop, easter egg hunt, one movie night, and the TCSU Garden Party
Start to plan Freshers week	One Freshers week meeting has been held, and more brainstorming as to how to make events better/run smoothly will be done over Easter
