

## Minutes TCSU Meeting 16<sup>th</sup> October

Freshers week feedback:

- Pass on budget before freshers week as people still haven't been paid back.
- Consent workshops went well as attendance was good but not everyone came.
- Budget wise we're doing well.
- Ents- Incidents where the college didn't communicate to other departments. Dean needs to tell Junior Bursar that something is happening. Ian doesn't always say what he's doing on emails.
- Hog roast company we used are actually banned from Trinity. They came with all the wrong equipment.

Other matters:

- Whether we want to do stash.
- Talking to catering manager about getting keep cups to refill for bar coffee.
- Green formal maybe subsidised. Has been approved by college. Regional and local food- vegetarian. On 19<sup>th</sup> November. Definitely going to happen.
- Raise at food committee meeting about making non-wine formal cheaper.
- Mid-term bop at Cindies. Exclusive use up until 11.30. Theme is 'Halloween'. 30<sup>th</sup> October. Drinks offers. Joint with Medwards.
- Also a sports bop. Start of next term or end of this term.
- Handover bop- at Clare Ents.
- Pool table proposal to be put in JCR. Might take up space from table tennis and room will be too cramped. A lot of people approach TCSU about pool table. Ask pool team what they think. Might put ACC money in Burrels and Lower JCR.
- Kitchen Fixed charge- might be university policy. Can we make it optional so some get discounts? But enough of us need to pay so it can subsidise the food. Thinking this will be quite tricky to get around.
- TCSU dinner and get a photo. Maybe get on high table. Beginning of Lent Term- week 1. Maybe restaurant too at Christmas.

For rest of year:

- Vacation storage needs to be sorted. Outdoor seating problem.
- BME access event to take place in January. Following on from what Sarah did last year. Hall food needs to be paid for lunch.
- Put eco signs up in college.
- Jag needs to put all the past minutes on the website.
