

# Jaysol Doy for LGBT+ Officer

## What do I want to do?

## Experience

- I led the LGBT+ Committee at my school, in conjunction with responsibilities as Senior Deputy Head Boy
- I co-organised a school Pride celebration
- I worked with senior members of staff at my school to ensure it was a safe, inclusive and tolerant space for everyone and was the first openly LGBT+ member of the Senior Prefect Team

I have four key things I would like to make happen were I to be elected LGBT+ Officer. They are:

1. Host a Trinity LGBT+ formal,
2. Run regular LGBT+ social events so members of college who identify as LGBT+ can meet one another in a safe and welcoming environment
3. Set up an online platform where members of college who are exploring their identity are able to find resources and support, as well as members of college who are happy to provide advice and friendship
4. Make sure that awareness around events such as Ace Week receive the attention that they deserve

## About me:

Hey, I'm Jaysol (he/him) and I'm a first year lawyer (when I'm not at the theatre). I'm proudly and openly gay and would be so grateful to have the honour of being the LGBT+ Officer on the TCSU for this coming year.
