Tilly Aldridge for ENTS

ABOUT US...

I am Tilly, a second-year philosophy student who loves seeing live music, doing karaoke in college bar and getting extremely silly at mash. Some of my best memories at Trinity have been at bops so I hope to carry on making lots of fun events that are enjoyed by all.

I'm running with Balqiis, a 2nd year HSPS student. Balqiis loves funny people, funny shows and funny things which is why you should vote for us because you will definitely have a fun time if she is in charge...

WHY US...

- We have lots of experience of what makes a good night out in Cambridge, we have obviously attended many bops and love to dress up
- We are very sociable people, very eager to chat to others and get feedback from students on what sorts of events would be fun
- Fab skill sets: Balqiis is co-President of the Black History Month, Secretary officer for the Trinity Dryden (theatre) Society. I have done producing and budgeting for shows. Both of these involve working collaboratively, towards strict deadlines to produce stellar events.

PLANS

- THEMED BOPS – spend Trinity money on Trinity fun!! by leaning more into the themes for bops. We will make sure that money is well spent on decorations and music for the bops **as well** as the bar tab.
- COLLABORATION - work with BME Officer for Diwali, Eid and Passover bops. Work with the access officer to ensure that events appeal to the whole student body. Collaborate with other socs e.g. film soc for film nights, and pol soc for a pub quiz.
- MORE FUN AT FORMALS – Halfway Hall Awards (superlatives and who is most likely to...). Propose a super-hall like King's – i.e. a themed formal, as well as Valentine's and St Patrick's day formals
- SUPER-BOP – organize a bop with other colleges and revs after
- WEEK FIVE BLUES – a jazz night to get our mood up!
- SEASONAL COCKTAILS - work with the bar to get special drinks (eg Halloween, Valentines and Bridgemas cocktail)
- PRESENCE IN COLLEGE – work to create a more active ents Instagram as well as advertising around college for ents and bops
