

# DYLAN STEWART FOR ACCESS REP

---

## WHAT I HAVE DONE SO FAR

Given that I was chosen to replace the outgoing rep when he graduated this summer, I haven't yet had chance to do everything I want to do.

However, over the past couple of months I have:

- Played a key role in Fresher's week, especially in the respect workshops
- Met with the Admissions and Outreach team about this year's applicants
- Worked closely with the Outreach Coordinator to ensure that progress is being made to make the college a more welcoming and inclusive place

## WHAT I PLAN TO DO NEXT

- Given the disproportionate number of non-male students admitted to the college, I will push for the Women and Non-binary Representative to have a place in admissions meetings
- Continue to push the college to provide and keep up financial support for students who are struggling, such as the Maintenance Grant which I know is so important for many of us

**Proposer - Will Deacon  
(Current TSCU Vice-Pres)  
Secunder - Keziah Prescod  
(Current W&NB Rep)**

Hi! I'm Dylan, a second year MMLer and current Access Representative, and I am standing for reelection for the coming year.

I was born and raised in Halifax, West Yorkshire, come from a working-class family, and went to state school right the way up until coming to Trinity, so I believe that I have the experience and empathy needed to confidently and accurately represent these groups on the TCSU.
