TCSU Meeting 3

Liaison Committee Meeting:

- Laundry – new system should work out at about £10 per term per person; similar set up to kitchen charge, where you pay the lump sum at the beginning.
- Burrell's lights

First WPR Event:

- Idea to have chlamydia testing at the WPR declined, as felt it would take away from the feel CP is going for.
- CP has organised:
 - o Camouflage blankets
 - o Blow up palm trees
 - o DJ

Bar and JCR Update:

- SD and AE have met with two architects so we have viable options to draw up plans
- Superficial aesthetic changes rather than structural changes; furniture, lighting, decorations, colour schemes.
- Lowering ceiling idea depends on finances – budget quite limited, so will have to see how budget negotiations go.
 - o Hanging boat idea – suggested by Rob Pullen last year – is a possibility.
 - o Low hanging lights to create the feeling of a lower ceiling.
- Details to be negotiated with the student population.

Burrell's Lighting:

- AE spoke to Suzy from CUSU. Go to the college with as detailed a plan as possible, hopefully down to the light model. As it is a wooded area, floor lighting would be the best option.
- Been put in touch with the people who put the lights up in Parker's Piece following the 'Reclaim the Night' movement.

Website Update:

- JB emailed the college computing staff.
- Plans to make the new website over the holiday.

CUSU Voting on 5.03.2013:

5.3.2013

- AE explained it to the more politically-naïve of the TSCU committee
- Checklist of things member needs to complete:
 - o Take the name of the voter
 - o Cross it off the sheet
 - o Work out which election they can vote for;
 - Can only vote for Women's Officer if the voter self-identifies as a woman.
 - Each slip has to be stamped with the College stamp – if it is not stamped, it is not valid
 - o You do not vote with an X – that will be void – you vote with a number. Explain to each voter.

Budget:

- Cheque books will be done in the next couple of days.

International Swaps:

- CG proposed the idea of international swaps, to promote international students mingling with non-international students, as she has been approached by several students.
- Committee agreed that it was a good idea, and to get involved with the system other colleges were involved in.

Blackboard Outside Plodge:

- AE and SD decided to bring it up at the liaison meeting tomorrow.

Exam Term Ideas:

- Subsidised yoga – SD to send contact to AR.
- Agreed with buying a few petanque sets.
- AR and ER to talk to catering department about having tea and coffee throughout the day, aside from just at breakfast.
- Continue subsidised massages.
- Committee asked to keep the snacks outside the library.
- KA advocated to continue subsidised swimming.
- Continue free fruit in the bar and chocolate delivered to pigeon holes.
