

HATTY INNES

ENTS OFFICER 2022-23

Proposer: Menan Loganathan (Vice President 2021-22)

Secunder: James Critchley (Male Welfare Officer 2021-22)

01

College bar evenings

A variety of events will happen at least once a week to allow the bar to return to its former pre-Covid glory. I have some quiz experience which I would love to put to good use by hosting weekly quizzes. Other events would be TV viewings and bops. I would also host events in underused sites like Blue Boar and Burrell's JCR.

Inter-College Events

I would organise events with other colleges with a view to connect like-minded students who might otherwise not meet. I will arrange these events with the student unions of other, requested colleges on a regular basis.

02

Social Media

I propose a Trinity Ents Instagram page. This will give students ease of access to an events timetable as well as a chance to check out the details (e.g. bands, venues) ahead of time à la @trin_menu. Also allows for coordination between Ents pages of other colleges and performers.

03

SUITABILITY

- I genuinely enjoy planning events of any size and any budget.
- I will negotiate firmly with DJs, venues, and staff to ensure each event lives up to its full potential.
- I will not act like a ticket rep, Ents Officers are not ticket reps.
- I want something to do that doesn't involve phonemes.
- I want Trinity's Ents to outshine those of other Colleges.
