Hi! I'm Will, a first year HisPol student, so I have plenty of time for being on the TCSU! I am struggling to learn Russian and will always pounce on a quiz. I'd love to be your next environmental officer!

Experience:

Head boy where I organised multiple large events

Attended multiple climate strikes

Ran green society in sixth form

Expert tree-hugger who has watched the Lorax film (2012) multiple times

For Environmental and Domestic Officer

Act

-  To ensure gyps have food waste and recycling bins
-  To explore the subsidisation of events and societies which are sustainable
-  To reduce frequency of TCSU emails- all emails have sizeable carbon footprints!
-  To make milk substitutes free in the college bar

Cooperate

-  With members of the TCSU
 - Junior steward to improve sustainability- we don't need individual ketchup sachets!
 - Ents officer including a pub quiz with proceeds going to subsidise vegetarian meals
 - Representative officers to ensure we reflect the unequal impact of the climate crisis
-  With environmental officers from other colleges
 - To offer you more opportunities
 - To organise and focus the university's engagement with the Environment

Listen

-  To you to support your ideas and to represent you at college meeting and by responding to your emails within 24 hours
-  To speakers covering different environmental issues from different perspectives
