

# Kassandra Caldicott for LGBT+ Officer

## Who am I?

I'm Kassandra (They/Them) and I'm currently in my first year of studying law and I would love to be Trinity's next LGBT+ officer. I'm an out and proud Non-Binary bisexual and my experiences of being publicly queer in college have been so much better than I anticipated. As such, I want to ensure that we maintain and build upon the foundations already in place, keeping and renewing current schemes and policies whilst looking into baseadvice from all LGBT+ students at Trinity on what they'd like to see and how to make their time in college, and Cambridge as a whole, better.

## Why Me?

I'm passionate about LGBT+ issues and having seen and experienced the struggles of our community I know how to best work towards solving them.

I have experience in a multitude of leadership roles, running an MUN and Law society during A-Levels and as such I'm experienced in both organising events and liaising with staff.

I will work tirelessly and fully dedicate myself to ensuring Trinity is completely free of discrimination and safe for all LGBT+ students.

## My Plans

**Assist in 1TQ's Revival:** I'm thrilled to be involved in the currently ongoing process of bringing back Trinity's LGBT+ society and hope that I will get the opportunity to work with them in implementing all of my other plans.

**Commit to Gender neutrality across Trinity:** From toilets to the porter's lodge I want to ensure students of all genders are comfortable in Trinity and will seek to implement the advice from the Cambridge SU's gender neutral campaign to achieve this goal.

**Continuing the LGBT+ College Family Scheme:** I think LGBT+ families were a great addition, and I will ensure they continue by organising them next year.

## My Plans (Continued)

**Pronoun Awareness:** Life is easier for all trans people when everyone publicises their pronouns. I will seek to encourage all college members to put in their pronouns in their emails and provide pronoun pins/stickers to all incoming freshers.

**More LGBT+ Events:** I will seek to organise more social events for LGBT+ students both within college and in the form of swaps with other colleges.

**LGBT+ Diversity:** I will commit to intersectionality as a key element of fighting LGBT+ discrimination.

**LGBT+ Information:** I will work with the relevant people to compile the currently spread-out information on what is available to LGBT+ students

Primary Proposer: Tayla Hardy (She/They) (Current TSCU LGBT+ Officer)

Secondary Proposer: William Deacon (He/Him)
