

HENRY WAYT

TREASURER

WHY ME?

I ran a small commercial kitchen over the summer, included budgeting & accounts.

Participation in OTC has developed my punctuality and reliability; qualities vital to the role of Treasurer.

I'll be accessible on hw583@cam.ac.uk and will listen to your needs.

Unbelievable Excel and economics knowledge, as demonstrated by the (niche) joke below.

ECONOMICS JOKE

What do economists call an annoying metal worker?

ABOUT ME

I'm Henry, a 1st-year Economics student.

Since coming to Trinity, I've joined the rugby, netball, and lacrosse teams. Having been so involved with the college, I'd like to ensure that funding goes where it is needed most.

MY GOALS

1) Negotiate and **advertise** Trinity discounts and perks. I bet you didn't know that Trinity offers free monitor loans, for instance.

2) Release additional funding for Ents. Trinity currently severely lacks.

3) Attempt to move the fire alarm drill to **any day which isn't after Revs/Lolas**.

4) Keep an eye on TrinityCompliments/Trinfess for more suggestions.

5) Support my fellow TCSU officers!

With Special Thanks to the 21/22 TCSU Officers!
