

# CALLUM WESTWOOD

## TCSU VICE-PRESIDENT

### WHY ME?

- I've worked on many committees before at university, and beyond (Trinity PolSoc, Cambridge Development Initiative, Latchingdon ADS) so I have experience in finding a balance of mixed interests and getting the best out of the committee members I work with
- I am involved with many of the important parts of the College, from the Politics Society, to the Boatclub, to the Mixed Lacrosse team. This involvement will help me bring a wide range of interests to the committee and make progress on a variety of issues
- I have a good relationship with students from all years represented by TCSU, and this is important in ensuring all concerns and comments are addressed equally regardless of your year
- I do HisPol so I have lots of free time to dedicate to resolving your issues and championing your causes in College
- I have relationships with previous TCSU officers and have a good understanding of what is necessary to co-ordinate open meetings, manage elections, and work with CUSU, NSS and other external groups

### MY PLAN

#### Improving the TCSU's visibility

- The TCSU is the student body's best connection to what is going on in College. It's important that the TCSU remains visible so students can engage with TCSU. This means more opportunities to hear the student voice (surveys, meetings, etc.) and more opportunities to find out what's going on, whether that's pizza parties or elections

#### Keeping representatives accountable

- Having now experienced two cycles of TCSU, I know how frustrating it can be to have voted for someone who promised big new ideas and projects, only to never see them materialise. I will keep every member of TCSU accountable to the commitments they made

#### The little things

- Trinity is the best college in this university but is so often let down by the quality of life issues. Be that struggling with Wifi or washing machines eating 3 of your laundry cards, the work at Cambridge is stressful enough so this would be a great thing to get sorted

I'm Callum, a 2nd-year History and Politics student, and I'm running for VP because I want to renew the relationship between students and our JCR, and help make everyone's life easier at Trinity
