

## Hajna Williams

### for Social Media Officer

---

#### About me:

I am currently in my second year of studying Linguistics. I would like to be the Social Media Officer as I really enjoy photography, staying connected with others and overall helping to build a more strongly-knit community, where information about upcoming events as well as achievements is widely distributed.

I have experience with working in a committee as the Social Media Officer for the Cambridge University Hungarian Society and the President of the Cambridge Dancesport Club.

---

#### Plans and Ideas:

- Creating posts (to the Instagram and Facebook feed) about upcoming TCSU events
- Posting a story as a reminder soon before the event
- Documenting events and achievements of college students with photos and a short description (I am also open to receiving and posting pictures from events that you took)
- Using a questionnaire to see what social media platforms students use, and perhaps spread to other online spaces as well
- Doing Instagram/Facebook takeovers (with a Q&A) with TCSU Committee members to get to know them better!
- Helping out the work of other committee members if or when needed

**Proposer:** Tayla Hardy  
(TCSU President)

**Secunder:** Hatty Innes  
(TCSU Ents Officer)
