**SOPHIE AND I ARE JOINT

SUBJECTS ENSURES THAT WE  
WILL BE ABLE TO APPEAL TO  
ALL MEMBERS OF THE  
COMMUNITY**

## WHO ARE WE?

My name is James, I am a second year Mathmo and a member of the Trinity Basketball team. I also enjoy playing pool and challenge any budding pool players to play us in a game of doubles – I am happy to teach anyone how to play!

My fellow candidate is Sophie – a second year Classicist who enjoys playing cricket and rowing – she is also an enjoyer of pool in the JCR which we will use to organise a games tournament.

## SKILLS

Frequent Wednesday Revs goers and occasionally Sunday Lola's

## EXPERIENCE

**Mathmo | Trinity College | 2021-2024**

As a mathmo known around college, I plan to run non-alcoholic events for all to enjoy, including board game and movie nights regularly.

## INTENTIONS

To make Ents more accessible for all – in particular organising events on a smaller scale more often

To continue the work of the previous Ents officer, including the pub quiz and karaoke after formals.

Implement a pool and table football tournament to increase proper engagement with the JCR – including an induction session to prevent further damage of the equipment.

Organise bar swaps with other colleges – not just after Ents at Revs
