Experience

LGBT+ Officer TCSU

I've served on the current TCSU for a year and as such know how the committee works. I also have attended all of last year's food committee meetings so I understand what can and can't be done.

Founder & President Cambridge PLAN

I founded and currently run Cambridge's first LGBT+ careers society which has raised thousands of pounds for the cause. I've shown I can build something great from the ground up.

Publicity Officer CULS

I've worked hard as a publicity officer to do what is needed of me, working with a variety of different departments to deliver for a variety of different needs.
