

Will Steinberg for Mental Health and Wellbeing Rep

Hi!! I'm Will Steinberg and I'm a second year doing maths here at Trinity. I would love to get to know you all as the first ever Mental Health and Wellbeing Representative in the TCSU!!

As Mental Health and Wellbeing Representative, my focus will be on providing appropriate support for the physical and mental health needs of all students at Trinity, as well as coordinating the other welfare roles on the TCSU.

My Policies!!

- Welfare film nights in the JCR (specifically I promise a screening of mean girls)
- Continue the STI bop and encourage regular testing
- Extend the legacy of week 5 chocolates!!!!!! (yay!!!)
- Continue weekly welfare teas with donuts and cookies galore!
- Publicise which TCSU reps students can contact in need and redo the welfare contact form to make it more user friendly!

My Experience

I have been prepared for this position by various roles I currently hold or have held over the past year including:

- Cambridge PLAN Events Officer
- Cambridge SU LGBT+ Campaign, Campaigns Officer
- Maths Academic Rep
- Cambridge University Fish Society President :)

I also have lots of experience dealing with others' mental health issues, so I know how difficult and sensitive they can be to talk about!
