

WILL DEACON FOR VICE PRESIDENT

Proposer: Tayla Hardy
(current TCSU President)

Seconded: Callum
Westwood (current TCSU
Vice President)

Hi! I'm Will, a second year HisPol student. I will always pounce on a quiz and take up space in the bar. I also utterly adore playing second fiddle, so I know I'd be a great Vice President!

Qualifications:

TCSU Environmental and Domestic Officer 2021-2022

Socials Officer for Trinity's Ethical and Green Affairs society

Trinity College Outreach Ambassador

I have never watched Veep

TCSU EXPERIENCE

- A year on the TCSU means I know how it works, and have the record to prove it:
 - o Made milk substitutes in the college bar **FREE**
 - o Hosted several educational speaker events
 - o Organised multiple university-wide green weeks
- It also means I know what can't be done, and can focus the new committee onto achievable, productive goals:
 - o Recycling bins in gyms is a no-go
 - o The fire alarm times can't change
 - o The Wolfson party room shall remain forever sealed
- Crucially, it means I know and get on with every potential president, ensuring the TCSU will run smoothly and efficiently.

ACCOUNTABILITY AND SUPPORT

- I will hold termly one-on-one meetings with the TCSU to help keep them on target and supported.
- I will be available termly in the bar for students to raise points and ask questions about how TCSU is running.
- I will act as a fallback for the TCSU members, doing everything within my power to help with the upkeep of events.
- The VP is essentially the personal aid to the President. I will take on the various administrative responsibilities of running the committee, so that they can spend their time engaging with Trinity in your name.
